

Let's fill those gaps:

What conservators need to address the climate emergency.

Lorraine Finch ACR.

Chair, Institute of Conservation (Icon) Sustainability Network

🚩 Recommendation

Fund global, cross-sector, climate-focused networks and umbrella organisations that address and enable mutual sharing of skills, knowledge, and expertise - supporting and empowering the sector to address climate change.

⚡ Call to action

Build alliances with other museums and cultural heritage organisations, open doors to external expertise and work with researchers, local communities, and stakeholders to ensure that the museum establishes an effective network to support the sustainable transition in Europe.

Thank You!
