

**National Heritage Science Forum Conference 2025**

## **Trends in Heritage Science**

**10<sup>th</sup> July 2025**

**University College London, Bloomsbury Campus**

### **Exhibitor and Sponsor Opportunities**

The National Heritage Science Forum will hold its inaugural annual conference on 10<sup>th</sup> July 2025 at UCL in central London. Join us at this one-day event which will bring together researchers, practitioners, policy-makers and students to explore the role of heritage science research and innovation in addressing global challenges.

The conference will focus on three themes of the economic value of heritage science, sustainable historic buildings and digital innovation in heritage science. As well as presentations and discussion sessions, the conference will include a wide-ranging poster session and interactive workshops. Please see the [conference web page](#) for programme information.

**We are inviting support from exhibitors at this one-day event which will provide you with opportunities for:**

- **Showcasing products, services and innovations**
- **Visibility and brand recognition**
- **Networking**

<b>Exhibitor Package – £600</b>
<ul style="list-style-type: none"><li>- Exhibition stand (table 2.2x0.8m, 1x 13amp plug socket)</li><li>- Registration for one delegate</li><li>- Logo with link to organisation from conference web page</li><li>- Full page advertisement in digital programme</li><li>- Acknowledgement in monthly e-newsletters (April, May, June) to 400+ subscribers</li><li>- Linked In feature post</li></ul>

There is also the opportunity to **sponsor the conference poster session** (£1,500). Sponsor will be invited to be part of the selection panel for best poster prize.

Please contact [administrator@heritagescienceforum.org.uk](mailto:administrator@heritagescienceforum.org.uk) to discuss these opportunities.

**Further information:**

- Exhibitor tables will be located in UCL's Engineering Front Building, Malet Place, WC1E 7JE, where the poster show will be held and refreshments will be served.
- Refreshment sessions take place at registration, morning break and lunch time.
- Attendees will also be able to access the area during the day if they choose not to attend programme sessions. Conference capacity is 100 attendees.
- The main conference sessions will be held upstairs from the exhibitor/poster/refreshment space.
- The afternoon workshops are held in separate rooms at another location on the Bloomsbury campus with capacity of 30-60 people.
- Exhibitors are asked to bring all materials with them on the day and clear all materials away at the end of the day.
- The exhibition space is not secure and although it will be discouraged during the conference, exhibitors should be aware that the space is accessible to students/staff at UCL and the public.
- Responsibility for all materials belonging to the exhibitor, including for loss or damage, remains with the exhibitor. Exhibitors should have their own insurance policies in place.
- All sponsor/exhibition packages include lunch for one attendee.
- NHSF is not registered for VAT.
- Should NHSF be required to cancel the conference, exhibition/sponsorship fees will be refunded.
- Should a sponsor/exhibitor be unable to attend the conference, the fee is not refundable.

**Programme timings:**

For the full conference programme please see the NHSF website. NHSF reserves the right to change the content and timing of the programme.

From 08:00	Venue opens, exhibitor access to set-up
09:00-09:30	Registration and coffee
09:30-09:40	Welcome address
09:40-11:10	Session 1: The economic value of heritage science
11:10-11:40	Coffee break
11:40-12:55	Session 2: Towards sustainable historic buildings
12:55-14:00	Lunch, exhibition and posters
14:00-15:30	Workshops (delegates choose one workshop) Workshop 1: The role of lifecycle models in decision-making Workshop 2: RICHES: Empowering Conservation and Heritage Science through a Distributed Research Infrastructure Workshop 3: Speed Mentoring for Emerging Professionals
16:00-17:15	Session 3: Digital innovation in heritage science
17:15-17:30	Closing comments and award of poster prize

**About the National Heritage Science Forum:**

NHSF brings together organisations from across the different communities of heritage science research and practice; it facilitates collaboration and works to demonstrate the public benefit of heritage science.
